The undersigned Andrew County Commissioners acknowledge that you wish to voluntarily perform maintenance of Andrew County public roadways by applying dust control. Andrew County respects and appreciates this action on your part. Please take notice that, by law, Andrew County reserves the right to continue to maintain public county roads or do any other maintenance to the portion of the road that has been sprayed with dust control to prepare it for winter or for public safety purposes.

THIS AGREEMENT MUST BE SIGNED YEARLY BEFORE THE DUST CONTROL PROJECT BEGINS.

*Landowner must contact the dust retardant company of your choosing to schedule the work to be done. The dust control contractor will work with the County to get the spraying done.
